WHO ARE FRIENDS OF GLEBE PRIMARY?

Friends of Glebe Primary (FoGP) is a UK Registered Charity 1016577. We are affiliated with Glebe Primary school but operate as a completely separate entity. Our aim is to provide every child with the best experience of school possible. We do this by fundraising with our fantastic supporters to raise money which will benefit all of the children at Glebe Primary School.

At present, the FoGP trustee committee comprises Glebe parents, Glebe supporters and schoolteachers. We also have an important bank of "fundraising friends" who operate in a less formal capacity to assist the committee on an ad hoc basis.

WHAT DO WE DO?

FoGP organises a range of fun and varied fundraising activities throughout the year for the Glebe community and further afield. Typical events include summer and Christmas fayres, quizzes, race nights, parties and discos, shopping events for the children, Santa's grotto, pantomime and after school treat sales. There are plenty of opportunities for you to volunteer and help at these events if you want to get involved.

HOW CAN WE HELP YOU?

FoGP is there to help the relationship between parents/carers and the school. We are happy to answer questions using our school experience or direct you to the right resource. No question is too trivial, we have all been there!

We understand that starting school can be a financial challenge. To help, we sell good quality, preloved school uniform at an affordable price throughout the year.

FoGP also offers discounts and/or fundraising opportunities to parents/carers through our partnership companies. These include My Nametags and Stamptastic for naming clothes, Octopus Energy, AmazonSmile, The Giving Machine, and discounted tickets from the Adventure Island Group (Adventure Island, Sealife

Adventure, Golf, Sands afternoon tea). These deals are advertised throughout the school year but please ask for further information!
